Easy Dry

## Atlante 700

### Description

Atlante 700 is the new and standard-setting generation of free-standing vending machines for hot beverages – stunningly impressive from every angle. Its innovative U-Profile design with soft and elegant lines adds style to every room.

Along with its generous capacity (up to 700 cups), superb choice (up to 60 different products) and supreme convenience thanks to the revolutionary Saeco Rotating Plate system this vending wonder is perfect for medium and large locations.

Atlante 700 creates a perfect coffee corner for any context, stand-alone or combined with the snack&food machine Aliseo, and offers a complete solution for Vending. With the relative kit it can be transformed into Master in association with Aliseo Slave. Available in Espresso with double grinder and double boiler, Espresso with one grinder and double boiler, and Instant versions.

### Accessories

- Independent water tank kit
- Mixer kit for tea replacement with soluble mixer
- Hot water solenoid valve kit
- Memory key to copy and quickly transfer machine settings
- USB key kit
- Eva-Dts kit
- Atlante Master transformation kit

### Main features

- Saeco Brewing Group with new pre-heating system Saeco Power Boost for excellent espresso (Espresso version)
- Generous container capacity
- Easy cleaning and maintenance thanks to the new Saeco Rotating Plate system
- Aesthetic and easily customizable U-Profile design with illuminated front
- User-friendly interface with LCD graphic display and easy-to-read and illuminated mechanical buttons
- Versatile dispensing area allowing cups with sizes up to 20 oz (592 ml)
- Possibility to install 3 payment systems on the door at the same time (Saeco 3 Way Pay)
- Accepts the most commonly used parallel and serial MDB, BDV and Executive (possible Master and Slave configurations) payment systems
- New powder dispensing system Saeco Easy Dry
- Water filter for preventing the formation of limestone
- The machine is designed for easy use even by persons with disabilities

### User interface

- Direct access 20-button keypad for beverage selection
- 2 preselection keys: +/-sugar and 2 settable keys (decaffeinated/ barley, no-cup and only-cup options)
- Graphical LCD
