FESTIVAL CLASSIC: ESSENTIAL FRESHNESS

Festival Classic completes the renewal of Necta's drum range offering an excellent price/performance ratio, high reliability and modern design. **Festival Classic** is the smart solution for locations needing to offer catering services 24/7, not just a vending machine but a true automatic canteen. The extreme flexibility of configuration allows the user to choose between snacks, drinks, fresh dishes, fruit and yoghurt. The enhanced electronics offers an advanced machine management.

HIGHLIGHTS

- 8 drums with up to 36 Compartments per drum (280 mm depth)
- One selling price per drum
- Flexible snack offering - small snacks, cans and up to a 9 inch plated meal
- Reduce downtime with independent drum operation - if one drum is damaged, out of order or being cleaned, the machines still operates
- Simple software menu making engineer visits quicker and easier

DESIGN

- Modern black front panel for a cleaner appearance
- User friendly features such as round shopper button and clear pricing labels
- New aesthetics allowing banking with the Tango and Opera range

USER INTERFACE

- Shopper pushbutton
- Capacitive numeric keypad for product selection back lit by blue LEDs
- Large LCD display
